The 2011 Yalambi Equestrian Festival promises to be a thrilling and exciting event not only for riders, horse enthusiasts, their families and friends but to absolutely everyone.

It's also a spectacular free event for all spectators. Set in the stunning surroundings of the Yalambi Farm Stud in the heart of Margaret River's famous wine region, it promises to showcase Western Australia's leading show jumpers and dressage aficionados.

With both men and women competing against each other on equal terms, it makes for a unique sporting event over two memorable weekends in Autumn.

Adding to the carnival atmosphere within Yalambi's attractive grass areas will be a wide range of exhibitors, yards for the competitors and camping is available for all. And of course, our cafe will be open all day, starting with breakfasts from 7.30am.

The best of the best.

To take full advantage of this exciting event, join us in the VIP Marquee.

With its raised ringside platform you'll enjoy the very best views of all the action. Add fine Margaret River wines and outstanding food from Busselton's renown 'The Goose' café restaurant, it promises to be a truly memorable experience.

Tickets for the VIP Marquee including lunch are \$75 each per day and are strictly limited.
